

FAMILY OWNED SINCE 1927

PEDRONCELLI

FAMILY VINEYARD SOURCES

This richly flavored grape, long known for its intense characteristics, has been grown side by side with Zinfandel in Dry Creek Valley for over 100 years. Petite Sirah has been planted on our vineyard since the early 1900s and used in our Zinfandel production as a key part of the blend. The "Family Vineyard" connection is with Carol Bushnell who is a third generation Pedroncelli; her vineyard has been a source of fruit since the 1940s. The resulting wine contains half the fruit from estate vineyards and half from the Bushnell vineyard.

WINEMAKING

Harvested by the first week of October following an ideal growing season with consistent moderate temperatures. The even ripening achieved great acidity, a high concentration of aromas and varietal flavors in the grapes. The fruit was crushed into stainless steel tanks where frequent pumping-over of the juice during fermentation allowed the young wine a substantial increase in extraction of flavor. The wine was aged for twelve months in American oak barrels, one third new oak balanced with seasoned barrels.

TASTING NOTES

Purple and dense in the glass. Our Petite Sirah offers rich aromas of red berries, plums, cinnamon toast spice. It shows very deep and complex flavors of ripe plum, red berries and dark chocolate that are highlighted by a warm spice finish. Full bodied, there is nothing 'petite' about this wine, and it is well structured with polished tannins and a long finish. It has the structure to age well over many years. Decant if desired.

TECHNICAL INFORMATION

APPELLATION Dry Creek Valley

BARREL AGING 12 months in American Oak

ALCOHOL 14.5%

pH 3.63

TOTAL ACIDITY .570g/100mg
