**2013 Pedroncelli Winery Cabernet Sauvignon
Three Vineyards**

The 2013 Cabernet Sauvignon Three Vineyards has a slightly denser, ruby purple color, medium to full body, excellent concentration, good purity, and plenty of cedary, toasty, blackcurrant fruit. This wine is still youthful, but can be drunk now or cellared for 12-15 years. There is no doubt it is a sleeper of the vintage.

One of Northern California's best wineries for consistently good values remains Pedroncelli. Tel. (707) 857 3531
