PEDRONCELLI

TRADE BONDED WINERY 113 MARK

2022 ROSÉ

Bushnell Vineyard, Dry Creek Valley

A LONG TRADITION OF ROSÉ

We have it down to an art when it comes to appreciating this type of wine. We have been producing rosé with Zinfandel as the foundation for nearly 70 vintages. The Zinfandel grape defines our Rosé with fresh fruit flavor and a quaffable charm. Its crisp style, framed by berry and spice notes, sets our Rosé apart from all the others. The grapes were harvested from the critically acclaimed Bushnell Vineyard, in our family and a source to the winery since the 1940s. Located on a high bench, the vineyard's well-drained rocky soils and climate create the perfect combination for high quality Zinfandel.

WINEMAKING

The vintage had a good start to the year with even weather leading into a warm growing season. Lower yields brought a greater concentration of fruit. The block was picked on August 22nd to maintain the flavor profile, keep the sugars low, and retain bright acidity for a balanced wine.

Once destemmed and pressed, the 100% free run juice is transferred to temperature controlled stainless steel tanks for a slow fermentation at 58 degrees F. The fruitiness of the zinfandel grape lends rounded and balanced flavor in the wine. Bottled a few months after harvest, the wine captures the freshness of the vintage.

TASTING NOTES

Very aromatic! The fresh aromas of rose petals and strawberries are followed by flavors of red berries, watermelon with a touch of spice. Nicely balanced between crisp acidity and refreshing fruit flavors. Our Rosé is made to be enjoyed upon release.

TECHNICAL INFORMATION

APPELLATION
Dry Creek Valley

COMPOSITION
100% Zinfandel

BARREL AGING
None

ALCOHOL *13.9%*
PH *3.41*

TOTAL ACIDITY
.640g / 100 ml
