PEDRONCELLI

TRADE BONDED WINERY 113 MARK

2024 ROSÉ

Bushnell Vineyard, Dry Creek Valley

THE BACKGROUND

We have it down to an art when it comes to making a Rosé. We have been producing rosé made from Zinfandel for over seventy vintages. The Zinfandel grape defines our Rosé with fresh fruit flavor and a quaffable charm. Its' crisp style, framed by berry and spice notes, sets our Rosé apart from all the others. The grapes were harvested from the critically acclaimed Bushnell Vineyard, which has been in our family and a source of the winery since the 1940s. Located on a high bench, the vineyard's well-drained rocky soils and climate create the perfect combination for high-quality Zinfandel fruit.

THE VINTAGE

Spring rain and a warm growing season kept maturity at a normal pace in this vintage. Zinfandel grapes for our Rosé were harvested from the Bushnell Vineyard the last week of August with mild acidity, high aromatics, and rounded flavors.

WINEMAKER TASTING NOTES

A beautiful wine! The fresh aromas of rose petals and spice are followed by strawberry, raspberry, melon and a touch of citrus. It is nicely balanced with round and refreshing fruit flavors accented by crisp acidity. Our Rosé is made to be enjoyed upon release.

COMPOSITION | 100% Zinfandel

APPELLATION | Dry Creek Valley

LOCATION | High Eastern Bench, mid valley

VINE AGE & FARMING | 27 Years Old, Trellis on St. George Rootstock

SOIL | Manzanita Gravelly Silt Loam
