California White Wine Blend

## A WHITE WINE BLEND TO SHARE WITH OUR FRIENDS AND YOURS

*At Pedroncelli, wine is second nature to us. We love to entertain and share our stories over an easy-drinking glass of white wine. The friendships that develop are more important than the variety or the shape of the glass. Here's to friends!*

The blend puts all the best characteristics together. The friendly combination of these complementary grapes, Sauvignon Blanc and Gewurztraminer, contributes to the bouquet, taste, and finish. The harvest produced a wine showcasing rounded flavors, high aromatics, and mild acidity.

**WINEMAKER TASTING NOTES** | Very fragrant! Passion fruit with floral notes, peach, and citrus. Bright flavors continue with tropical fruit, peach, a touch of honey, and a hint of grassiness. The finish is framed by mild acidity and the wine is light and refreshing. This blend is made to enjoy on its own or with dishes that have some rich spices like curried chicken or Thai shrimp salad. It pairs even better with your glass.
