## WISDOM

### 2022 CABERNET SAUVIGNON

Dry Creek Valley, Sonoma County

#### THE BACKGROUND

The land was purchased by Jim and John Pedroncelli in 1965 and is located on the western bench of Dry Creek Valley. Planted to Cabernet Sauvignon the same year, Pedroncelli Winery was the first to establish this variety here. The vineyard was replanted in 2002 with Clone 4, also known as the Mendoza Clone. It produces smaller, more compact bunches and brings deeper color and concentration as a result. 60 years of growing Cabernet in this soil and singular microclimate brings unparalleled Wisdom.

#### THE VINTAGE

The vintage of 2022 was influenced by low amounts of rain and was followed by a warm growing season which sped up maturity as well as concentrated flavors and color. The grapes from this single vineyard were harvested September 9 preserving the varietal flavors, aromatics, and natural acidity.

#### TASTING NOTES

This is a rich and full-bodied Cabernet Sauvignon with aromas of blueberries, warm baking spices and a touch of dried herbs. The flavors of blueberry, plum, mocha and toasted coconut layer in nicely. Framed by ripe tannins and woven throughout with medium acidity and toasted, silky tannins. With reserve-style complexity and depth along with an additional year of bottle aging, this is a wine to enjoy now or age for another 5 or more years.

---

COMPOSITION | 87% Cabernet Sauvignon, 13% Malbec

ESTATE VINEYARD  
SOURCE | Wisdom Vineyard

LOCATION | Western Bench of Dry Creek Valley

VINE AGE & FARMING | 28 Years Old, Scott Henry Trellis System
