2025 ROSÉ

Bushnell Vineyard, Dry Creek Valley

THE BACKGROUND

We have it down to art when it comes to making a Rosé. The base for this wine is Zinfandel, with over seventy vintages under our belt. This grape defines our Rosé with fresh fruit flavor and a quaffable charm. The crisp style, framed by berry and spice notes, sets it apart from all others. The grapes were harvested from the critically acclaimed Bushnell Vineyard, which has been a source to the winery since the 1940s. Located on a high bench, the vineyard's well-drained rocky soil and climate create the perfect combination for high-quality Zinfandel fruit putting an indelible stamp on our single vineyard Rosé.

THE VINTAGE

A mild, balanced growing season produced high-quality fruit with excellent flavor, concentration and acidity. A wet winter with minimal frost was followed by a mild summer allowing for consistent and gradual ripening. The ideal weather conditions set the stage for an outstanding 2025 vintage. The grapes were harvested September 5.

WINEMAKER TASTING NOTES

A beautiful wine! The fresh aromas and flavors of rose petals, strawberries and watermelon are framed by a bright and refreshing acidity. It is nicely balanced with round and fresh fruit flavors accented by crisp and clean finish. Our Rosé is made to be enjoyed upon release.

COMPOSITION | 100% *Zinfandel*

APPELLATION | *Dry Creek Valley*

LOCATION | *High Eastern Bench, mid valley*

VINE AGE & FARMING | *27 Years Old*

SOIL | *Manzanita Gravelly Silt Loam*
